### Phoenix Debuts The Cube-Light

**MILWAUKEE, WI USA - November 26, 2014** - Phoenix Products Company Inc. has announced the debut of the Cube-Light. Even at 9 cm wide, 11 cm tall and weighing less than 1 kg, this LED fixture emits up to 1000 lumens! The compact size of the Cube-Light is showcased in a “short and sweet” video. Click [here](#) to view.

The Cube-Light is competitively priced with short lead times. It offers versatility with a variety of mounting options. At 13W, the Cube-Light delivers efficient, maintenance-free light to doorways, walkways, cabins or any small area.

Phoenix has incorporated a cast aluminum housing with white, powder coat finish and an impact-resistant lens into the Cube-Light’s design. It offers options for continuous row mounting, emergency battery backup as well as visor and wire guard accessories. The Cube-Light is designed, engineered and manufactured in the U.S.A. and has a three-year limited warranty.

The Cube-Light is UL listed to 1598 and 1598A, CE certified and has an IP66 rating. The fixture is offered in 120V, 240V and 13-27VDC and includes stranded wires for added protection against shock and vibration.
