

! CAUTION

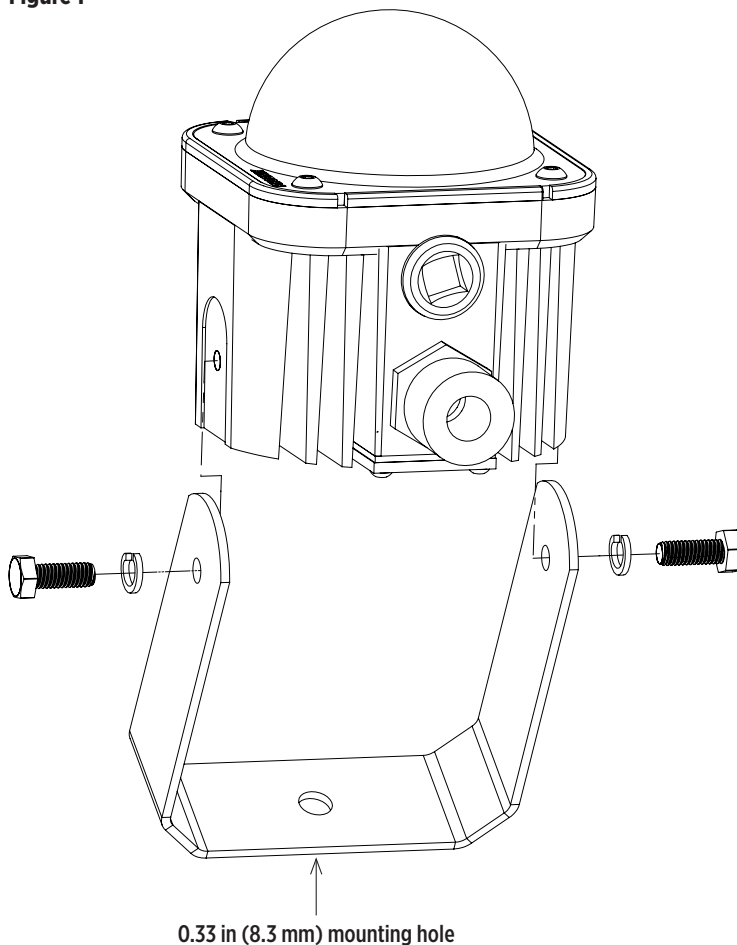

- All wiring should be done by a licensed electrician in accordance with state codes, local codes, and National Electric Code (NEC) standards or International Electric Commission (IEC) standards.
- Improper installation may result in serious injury and void warranty.
- Contains parts and assemblies susceptible to damage by electrostatic discharge (ESD).
- When using luminaires, basic safety precautions should always be followed to reduce the risk of fire, electric shock and personal injury.

Included in the Cube-Light Harp Mount Kit: one (1) harp, two (2) M6 screws and two (2) lock washers.

Installation

1. Remove the two (2) flush mount brackets from the fixture by loosening the M6 screws. **Note:** The same hardware is used on the Harp Mount Kit.
2. Put one (1) lock washer on each M6 screw. Insert each screw into the side hole on the harp and then the fixture housing. Refer to Figure 1.
3. Torque screws to 75 inch-pounds.
