

! CAUTION

- All wiring should be done by a licensed electrician in accordance with state codes, local codes and National Electric Code (NEC) standards.
- Improper installation may result in serious injury and void warranty.
- May contain parts and assemblies susceptible to damage by electrostatic discharge (ESD).
- All units are to be mounted to a flat, sturdy structure and surface. **Note:** the fixture should only be installed with the globe in a downward facing orientation.
- Surge protective devices should be utilized for fixtures installed in environments subject to power surges outside the specified operating parameters.

Wiring

Grounding lug, screw and toothed washer provided in junction box.

For AC systems: Green is ground, black is hot (line) and white is common (neutral).

Mounting

For Ceiling Mount Units

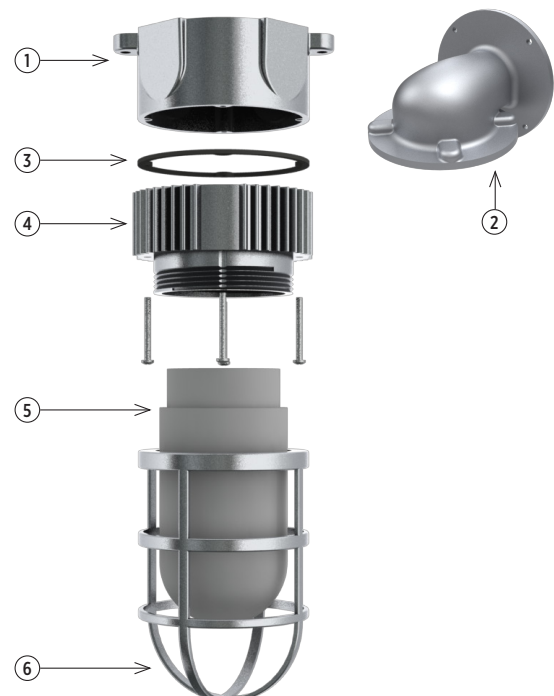

A junction box (Item 1) is provided with one ½ inch NPT for conduit connection. Attach the junction box to the ceiling. Feed power into junction box and use supplied hardware to ground. Run the leads from the back of the LED module (Item 4) to the junction box and make wire connections. Attach LED module to the junction box with supplied gasket (Item 3) (ensuring positive seal) and screws. Assemble the globe (Item 5) and guard if provided (Item 6).

For Wall (Bulkhead) Mount Units

A junction box (Item 1) is provided with one ½ inch NPT for conduit connection. Attach the junction box to the wall. Feed power into junction box and use supplied hardware to ground. Run the leads from the back of the LED module (Item 4) through the neck casting (Item 2) to the junction box and make wire connections. Attach neck casting to the junction box with supplied gasket (Item 3) (ensuring positive seal), screws and lock washers. Attach LED module to neck casting with supplied gasket (ensuring positive seal), screws and lock washers. Assemble the globe (Item 5) and guard if provided (Item 6).

Repair Parts List

Item	Description	Part Number
1	brass junction box for ceiling and wall	5110458
	aluminum junction box for ceiling and wall	5110459
2	brass neck for wall	5110450
	aluminum neck for wall	5110451
3	gasket for ceiling and wall (2 pieces for wall)	5020391
4	brass LED module for ceiling and wall	contact factory
	aluminum LED module for ceiling and wall	contact factory
5	frosted glass globe for ceiling and wall	4610051
	amber glass globe for ceiling or wall mount	4610050
6	brass guard for ceiling and wall	5110456
	aluminum guard for ceiling and wall	5110457
