

## Low-voltage LED Floodlight

Durable, economic line of DC-voltage LED work lights Lightweight, compact design ideal for use on mobile equipment Spot and flood optics minimize glare and provide precise optical control LED technology increases efficiency, eliminates maintenance and supports green initiatives

## **Key Applications**

Surface mining equipment

haul trucks • front loaders • blasthole drills • dozers • hydraulic excavator shovels

Underground mining equipment • jumbos • scoopers • dumpers

- Construction equipment
- mobile cranes excavators rollers

Port equipment

• material handling • reach stackers

Marine vessels

- patrol boats fishing boats
- Agricultural equipment
- $\bullet$  combine harvester  $\bullet$  tractors  $\bullet$  ATVs
- Forestry equipment
- harvesters forwarders loaders
- Other applications

• utility vehicles • pick-up trucks • off-road equipment • forklift trucks • maintenance of Way (MOW) railroad maintenance equipment • solar and generator powered lighting

### Compliances

CE IP69K CISPR 25 - Class 4

# **Specifications**

| Construction                        | Die cast aluminum housing   |
|-------------------------------------|---|
| Finish                              | Black powder coat   |
| Hardware                            | Stainless steel   |
| Lens                                | Impact-resistant polymer - standard<br>Spot (SP) and flood (FL) optics<br>Precise optical control minimizes glare       |
| Light source                        | 40W, up to 5000 lumens<br>Cool white (6000K) LEDs<br>50,000 hour rated life   |
| Power source                        | Nominal voltage range: 12-24V DC<br>Input voltage range: 9-32V DC<br>17.00 inch (432 mm) cord with Deutsch<br>connector |
| Wiring                              | Stranded wires  |
| Ambient<br>operating<br>temperature | -40°C to +85°C  |
| Shock                               | ISO 16750-3: 2012, 50G  |
| Vibration                           | up to 30G   |
| Salt spray                          | IEC 60068-2-11  |
| Mounting                            | Stainless steel harp  |
| Warranty                            | 1 year  |

# Sturdilite<sup>®</sup> Move Series MED

Low-voltage LED Floodlight

## **Dimensions**

## **Ordering Information**

Example: MV-MED-SP

| Fixture | Model | Optic |
|---------|-------|-------|
| MV      | MED   | SP    |
|         |       | FL    |
|         |       |       |

| Model |                        | Optic |             |
|-------|------------------------|-------|-------------|
| MED   | 40W, up to 5000 lumens | SP    | Spot Optic  |
|       |                        | FL    | Flood Optic |

**Special Projects:** We may be able to accommodate your special projects, so please don't hesitate to ask about additional options. Minimum order quantities and/or extended lead times will apply. Contact your Phoenix representative with specific inquiries.
